**Product description**

|     |                                                      |
|-----|------------------------------------------------------|
| 1.  | ENTER THE PRODUCT NAME, CAS NUMBER, AND INTENDED USE |
| 2.  |                                                      |
| 3.  |                                                      |
| 4.  |                                                      |
| 5.  |                                                      |
| 6.  |                                                      |
| 7.  |                                                      |
| 8.  |                                                      |
| 9.  |                                                      |
| 10. |                                                      |

If the certifier is unsure if their chemical substance is subject to TSCA compliance, contact the Environmental Protection Agency, TSCA Assistance Office at 1.202.554.1404 between 8:30 a.m. and 5:00 p.m.

Rev 1/17

If you are unsure as to the applicability of TSCA to your products, contact the TSCA Hotline at (202) 554-1404 for assistance.

If you are unsure whether a product can be purchased by a private individual, please check the short product description and the Shipping Limitations tab on our website, or contact us at: [synthetika@synthetika.eu](mailto:synthetika@synthetika.eu) or +48 538 338 875 by phone or WhatsApp.

Please be advised that this document must be completed in order to lawfully import chemical products into the United States. Importing chemical products from unknown or unverified sources without the appropriate TSCA certification may result in legal consequences for the importer, depending on the applicable regulations and circumstances. The importer is responsible for ensuring that all required TSCA documentation is correctly completed and provided before importation.

If you experience any problems or have any questions regarding the TSCA form or import requirements, we encourage you to contact us for assistance at [synthetika@synthetika.eu](mailto:synthetika@synthetika.eu) or +48 538 338 875 by phone or WhatsApp.
